

第2回

国際ライソゾーム病 Webカンファレンス

The 2nd International Lysosomal Disease Web Conference:
~Meet the World Famous Professors~

日時

2021年1月27日(水) 19:00~20:30

座長

一般財団法人 脳神経疾患研究所 先端医療研究センター センター長・
遺伝病治療研究所 所長 東京慈恵会医科大学 名誉教授

衛藤 義勝 先生

プログラム

Session 1 20min

同時通訳有

演者 一般財団法人 脳神経疾患研究所 先端医療研究センター
Advanced Clinical Research Center, Institute of Neurological Disorders

Dr. Mohammad Arif Hossain

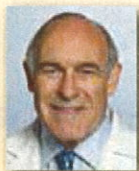

演題 DNA methylation study of GLA gene and its association
with autophagy and clinical severity of heterozygous Fabry females.

ご略歴

2005-2008 Pediatric doctor, Rajshahi Medical College Hospital, Bangladesh
2008-2009 Assistant professor, Khawaja Yunus Ali Medical College Bangladesh
2014-2016 Clinical Geneticist, King Abdul Aziz Medical City, Saudi Arabia

2016-2018 Researcher, Advanced Clinical Research Center
2018- present Senior Researcher, Advanced Clinical Research Center

Session 2 60min

演者 Chairman Emeritus, Department of Genetics and Genomic Sciences,
Icahn School of Medicine at Mount Sinai, New York, USA

Dr. Robert J. Desnick

演題 The Story of Fabry Enzyme Therapy :
From Metabolic Defect to Safe and Effective Therapy.

ご略歴

University of Minnesota, Minneapolis, Minnesota. 1961-1965. B.A.
University of Minnesota Graduate School. 1965-1970. Ph.D. (Genetics)
University of Minnesota Medical School. 1967-1971. M.D.
Research Associate, University of Minnesota. Department of Pediatrics. 1970-1972
Intern and Resident, University of Minnesota Hospitals. 1971-1973
Assistant Professor of Pediatrics & Laboratory Medicine and Pathology, University of Minnesota. 1973-1975
Assistant Professor, The Dight Institute for Human Genetics, University of Minnesota. 1973-1975
Associate Professor of Pediatrics, University of Minnesota. 1975-1977
Associate Professor of Genetics and Cell Biology, College of Biological Sciences, University of Minnesota. 1975-1977
Associate Professor, The Dight Institute for Human Genetics, University of Minnesota. 1975-1977
Chief, Division of Medical and Molecular Genetics, Department of Pediatrics, Mount Sinai School of Medicine. 1977-1993

Arthur J. and Nellie Z. Cohen Professor of Pediatrics and Genetics, Mount Sinai School of Medicine. 1977-1994
Director, Mount Sinai Genetic Testing Laboratory. 1977-2014
Chairman, Department of Human Genetics, Mount Sinai School of Medicine. 1993-2006
Chairman, Department of Genetics & Genomic Sciences, Mount Sinai School of Medicine. 2006-2011
Member, The Carl C. Icahn Institute for Gene Therapy and Molecular Medicine, Mount Sinai School of Medicine. 1993-
Member, Rutenber Treatment Center of the Tisch Cancer Institute, Mount Sinai Health System. 1998-
Professor of Obstetrics, Gynecology, and Reproductive Sciences, Mount Sinai School of Medicine. 2003-
Dean for Genetics and Genomics, Mount Sinai School of Medicine. 2009-2011
Chairman Emeritus, Department of Genetics and Genomic Sciences, Icahn School of Medicine at Mount Sinai. 2011-
Dean for Genetics and Genomic Medicine, Icahn School of Medicine at Mount Sinai. 2011-

Session 3 Discussion 10min

共催：NPO法人日本リソゾーム病研究センター / サノフィ株式会社
